

NIGHTLIFE

Parlor Game

Just when you thought a manicure couldn't get any better, the friendly tatted bartender at the new salon-themed **Beauty Bar** on Henderson Avenue delivers your hand-shaken martini. The 10th location of the empire that originated in New York's East Village, the Dallas outpost is a funky throwback to a circa-1960s salon. The

space (formerly Blue Collar Bar) sports glittery seafoam walls, button-tufted bar stools and six hooded hair dryer chairs that serve as extra seating. Order a specialty cocktail during happy hour Monday-Thursday and a mini manicure is free. You'll be properly prim when the DJ shows up at 10PM. *1924 Henderson Ave., 214.841.9600, thebeautybar.com*
